Tenant ID: tenant_acme

Document Version: 2.4

Last Updated: July 2026

1. Executive Summary & Brand Overview

Welcome to the official Customer Support Knowledge Base for **Acme Smart Home Solutions**. This document serves as the authoritative guide for customer service inquiries, warranty claims, troubleshooting procedures, subscription billing, and return processes for all Acme smart home devices (including Acme Smart Hub, Acme Security Cam Pro, and Acme Smart Thermostat).

2. Product Warranty & Guarantee Policy

2.1 30-Day Money-Back Guarantee

All new hardware purchased directly from the Acme online store or authorized retail partners is backed by a **30-Day No-Questions-Asked Money-Back Guarantee**. Customers may return undamaged products in their original packaging within 30 days of the delivery date for a full refund.

2.2 2-Year Limited Hardware Warranty

Acme hardware devices include a **2-Year Limited Hardware Warranty** starting from the date of purchase.

- **Covered:** Manufacturing defects, sensor calibration errors, wireless module failures, and internal power supply faults.
 - **Not Covered:** Cosmetic wear and tear, accidental drops or physical impact, liquid damage exceeding IP67 rated limits, unauthorized opening/repairs, or installation of third-party custom firmware.
-

3. Returns, Refunds & Replacement Process (RMA)

3.1 Step-by-Step Return Authorization

To initiate a return or warranty replacement:

1. Log into the customer portal at <https://account.acmesmarthome.example/returns> or email support@acmesmarthome.example.com.
2. Provide your original order number, device serial number, and a brief description of the issue.
3. Upon approval, a **Return Merchandise Authorization (RMA)** number and a prepaid shipping label will be sent to your registered email within 24 hours.

3.2 Refund Timelines & Shipping Costs

- **Refund Processing:** Refunds are issued within **3 to 5 business days** after our logistics center receives and inspects the returned item. Refunds are credited back to the original payment method.
- **Return Shipping Fees:**
 - **Defective / Warranty Items:** 100% Free return shipping provided by Acme.
 - **Buyer's Remorse Returns (within 30 days):** A flat return shipping fee of **\$4.99** will be deducted from the total refund amount.

4. Device Troubleshooting & LED Indicator Status Codes

4.1 Acme Smart Hub LED Status Codes

The status light ring on top of the Acme Smart Hub indicates system status:

- **Solid Green:** Device is connected to the internet and operating normally.
- **Blinking Amber:** Wi-Fi connection lost or weak signal strength (below -75 dBm).
- **Solid Red:** Critical hardware error or failed firmware update.
- **Blinking Blue:** Pairing mode active (Ready to connect new sensors).

4.2 Hard Factory Reset Procedure

If your Smart Hub becomes unresponsive or displays a **Solid Red** LED:

1. Ensure the hub is plugged into wall power.
2. Locate the small pinhole reset button on the back panel next to the Ethernet port.
3. Insert a paperclip and press and hold the button for **12 seconds**.
4. Release the button when the LED ring flashes **Purple three times**.
5. Wait 2 minutes for the hub to reboot into factory default setup mode.
